Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Fund's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hurricane Sandy NJ Relief Fund, Inc. as of June 30, 2014 and 2013, and the results of its activities and its cash flows for the year ended June 30, 2014 and the period of November 2, 2012 (Inception) to June 30, 2013 in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 6, the June 30, 2013 financial statements have been restated to correct a misstatement. Our opinion is not modified with respect to this matter.

Hurricane Sandy NJ Relief Fund, Inc.
Notes to Financial Statements
June 30, 2014 and 2013

1. Organization and Purpose of the Corporation

Hurricane Sandy NJ Relief Fund, Inc. (the "Fund"), is a New Jersey not-for-profit organization that raises and distributes funds to organizations that support the recovery and rebuilding efforts of New Jersey communities impacted by the storm. The Fund aims to make a sustainable, long-term impact and focuses on programs that address the unmet needs of New Jersey communities.

2. Summary of Significant Accounting Policies

Basis of Presentation

Financial statement presentation follows the recommendations of the accounting standard related to financial statements of not-for-profit organizations. Under this accounting standard, the Fund is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. For the year ended June 30, 2014 and period ended June 30, 2013, the Fund had accounting transactions in the unrestricted and temporarily restricted net asset categories. The unrestricted net asset category represents net assets that are not subject to donor imposed restrictions.

Basis of Accounting

The financial statements of the Fund have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Revenue Recognition

Contributions are recognized as revenues when they are received or unconditionally pledged and are recorded as unrestricted or restricted support according to donor stipulations that limit the use of these assets due to time or purpose restrictions. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized.

Contributions Receivable

Contributions receivable are recorded when unconditional pledges or contributions are received. Management expects to collect the full balance therefore management has determined no allowance is necessary.

Donated Income and Expenses

Donations of computer equipment and software are recorded as contributions at their estimated fair value at the date of donation. Donations of services and facilities are recorded as contributions at their estimated value.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property and Equipment

Property and equipment are stated at cost or at their estimated fair value at date of donation. The Fund capitalizes all expenditures for property and equipment in excess of \$2,500. Depreciation is provided using the straight-line method over the estimated life of the Fund of three years for equipment and software.

Grants Payable

The Fund commits funds to selected organizations to fulfill its purpose or the donors' purpose for donor imposed restrictions. When funds are committed the Fund records a grant payable.

June 30, 2014 and 2013

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Accordingly, certain costs have been allocated among program, management and general and fundraising.

Fair Value of Financial Instruments

The carrying amounts of financial instruments including contributions receivable, prepaid expenses, accounts payable and accrued expenses and grants payable approximate their fair values because of the relatively short maturity of these instruments.

Concentration of Credit Risk

The Fund maintained cash balances on deposit with financial institutions in excess of insurable limits for the year ended June 30, 2014 and period ended June 30, 2013. The condition is mitigated by having funds deposited with high quality financial institutions. The Fund does not believe that it is exposed to any significant credit risk on its cash and cash equivalents.

Income Taxes

The Fund is exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code and state income tax under similar provisions. Accordingly, no provision for Federal income tax has been recorded in the statements of financial position. The Fund had no unrecognized benefits at June 30, 2014 and June 30, 2013 and has incurred no interest or penalties related to income taxes for the periods presented in these financial statements.
